We introduced the EBacc measure in 2010. In June 2015, we announced our intention that all pupils who start year 7 in September 2015 take the EBacc subjects when they reach their GCSEs in 2020.”

English Baccalaureate (Ebacc)

The EBacc is made up of:

How do I make my choice?

Do...

- ✓ talk things through with your parents, teachers, older siblings or friends
- ✓ some research – the 'Choosing Your Options' booklet will help
- ✓ consider that your choices may make a difference to which courses you can take in the future

Don't...

- × choose a course because your friend is
- × choose a course because you like your year 8 teacher
- × choose a course because you think it will be easy

Final remarks

- ✓ You must choose one, preferably two, EBacc subjects
- ✓ You are advised to choose a modern foreign language
- ✓ We try to provide students with all of their option choices and, unlike many schools, we offer a free choice to all
- ✓ The option blocks are built after you have made your choices rather than before
- ✓ However, staffing issues and class size constraints mean that students will need to select a reserve, full GCSE option. This could replace one of your other choices if their initial choice combination is not possible
- ✓ This reserve choice is to be included on the Options Preference Forms as a 5th choice
