Dear Parents and Carers,

I hope you all had a relaxing and restful Easter break and thank you for your understanding with regards to our water and power issues on Tuesday.

The term ahead is looking action-packed and exciting, with lots of wonderful learning opportunities for the children. As usual, we have published the topic web for each class on the school website if you would like to see what has been planned.

### Lunches

Unless your child is bringing a packed lunch from home, please ensure that you book a lunch for each day that one will be required.

### Weather

Hopefully, the weather will start to warm up over the next few weeks. Please ensure your child has a hat and a water bottle with them in school at all times. When it is appropriate, please apply sun cream to your child before school so they are protected for the day.

### Equipment

A polite reminder – please can you ensure that your children do not use the play equipment before or after school as it is to be used in school time only. I would also ask you to encourage your children to respect the furniture and equipment by not allowing them to stand on benches or climb through the Outdoor Classroom. Many thanks for your co-operation in this matter.

### Love to Learn

Our next Love to Learn morning is booked for Friday 12<sup>th</sup> May from 9.15 –10.45 am. As usual, parents, carers and grandparents are welcome to work with the children in their classes and then the CPSA will provide refreshments in the hall from 10.15 – 10.45. Usborne books will be in attendance, there will be a uniform sale and lost property will be displayed at this time. We look forward to seeing as many of you there as possible.

I hope you all have an enjoyable bank holiday weekend!

Ms Louise May  
Deputy Headteacher (Charvil)

Please remember

### WE ARE A NUT FREE SCHOOL

We are a nut free school for the safety of all our staff and pupils. Please remember when packing home packed lunches or morning snack for Year 3 to check the labels on all foods, including chocolate spreads, and cereals bars.

We provide fruit or vegetable snacks at break-time for all Foundation and KS1 pupils.

Please ensure that any break-time snacks provided for Year 3 pupils, are fruit or vegetable based.

Thank you for your support

### A plea to all parents/carers.

Please can you check that all items of clothing being worn into school are named, particularly school uniform, PE kit and water bottles.

All lost property from last term has now been rehomed.

Thank you

Mrs Haynes and  
Mrs Greatrex

## Are you looking after someone else's child or do you know someone who is?

### Are you a private foster carer?

#### What is private fostering?

Private fostering is the term used when a parent or guardian places a child or young person aged 16 or under (or 18 if they are disabled) in the care of someone else who is not a close relative or an officially approved foster carer for a period of more than 28 days.

You might be a private foster carer without realising it.

A private foster carer may be:

- A friend of the family
- The parent of your child's friend
- Someone who is previously unknown to the child's family who is willing to privately foster a child.

If someone else is looking after your child, or if you are looking after someone else's child, you could be privately fostering. You must tell Wokingham Borough Council.

For more information or to tell us about a private fostering arrangement please contact:

**Wokingham Borough Council** (0118) 908 8002 [triage@wokingham.gov.uk](mailto:triage@wokingham.gov.uk)

#### What will happen when I tell the Council?

We will be able to offer any advice or support that you or the child might need while they are in your care. We will ask for details such as who will be caring for the child and where will they be living; details about their history, health and school. This is to ensure the child or young person is safe and well cared for and someone may come to visit you to talk about this.
