

The Piggott School Catch-up Premium - Ethos and Background

The Piggott School's values underpin the work that we are doing to support both staff and students at this challenging time. Wellbeing is at the centre of our plans alongside practical, blended learning solutions.

The school moved immediately to a blended learning model in lockdown 1. This followed an initial trial with Key Stage 5 (KS5). This was then expanded to all year groups after the Easter break in 2020. In the summer term of 2020 as lockdown eased and some face-to-face socially distanced learning was permitted in year 10 and 12 the school prioritised face to face learning for practical subjects. Students studying Music, Art, Photography, Food Preparation and Nutrition, Design and Technology and Drama all participated in the programme with academic subjects continuing to deliver remote sessions via teams. These small bubbles staffed by subject specialists enabled a great deal of practical catch-up before the Autumn Term of 2020 commenced. It also benefitted the students allowing for a return to the classroom and time to see their peers before term ended supporting confidence and wellbeing. Attendance to these sessions was over 95%. During periods of disrupted learning when students/staff had to self-isolate blended learning commenced immediately delivering to those in class and those at home. Key worker and vulnerable students were supported on site during lockdown, with over 45 students from all year groups (7 – 13) attending.

Impact and Expected Outcomes

Year 11 & 13

We will be working towards the delivery of content, supporting with NEAs, and exam techniques relevant to each subject area. In KS4 /KS5 we are offering a full range of curriculum options valuing all subject areas.

Due to the intense support on offer we anticipate that our students will continue to perform at the highest of levels. Outcomes are anticipated to reflect past performance, attainment and progress at GCSE and A Level. We anticipate that our student's will be able to take their next steps to College, Sixth form, Apprenticeships or University confident that they have experienced rigorous and robust courses.

Year 10/12

The intensive catch-up programme will commence in the Summer Term.

Year 7 – 9

For I was hungry and you gave me something to eat, I was thirsty and you gave me something to drink, I was a stranger and you invited me in." Matthew 25:35

Our blended learning model enabled those students in KS3 to engage with the delivery of national curriculum content, we are confident that over time recovery and catch up will be built into the courses. For key vulnerable individuals we are looking to build in some additional mathematics and English support either 121 or small group.

Phase 1 – to be up and running by October ½ term

Phase 2 – to be organised by Christmas 2020

Phase 3 – Spring Term

Phase 4 – Summer Term - moving from year 13/11 focus to 10/12

Phase 5 – Summer School Year 6 into 7 students wc 9th August

Anticipated Spend – £80, 000

Intervention	Cost	Contribution from PP budget	Details	Target group	Phase	Impact
Staffing and Wellbeing						
Curricular expansion - Timetabled Catch-up sessions These are shown as CS on eh timetables of NC, GP	Staffing cost at £1,000 per session 16 sessions per 2 week timetable £16, 500	Yes 10%	Time for catch-up built into the timetable for year 11 students with bespoke timetable one option reduced to allow for quality of results rather than quantity. These are placed in each option block or In school facility for vulnerable students. This also allows for the more nurturing support of the Green room to continue	KS4 – Year 11	1	This allowed for some vulnerable students to access either catchup time and /or 121 support In Maths and English – during lockdowns staff released from withdrawal unit duties were used to support in Maths English and Science
Additional LSA support	4 LSA's were recruited - LSA costs per hour		To support staff well-being, pupil outcomes and understanding in lessons.		1	
Lunch/Break supervision	4 staff have been recruited to supervised Break/lunch		To reduce the need for staff duties at Break/lunch due to extended break time due to staggered lunch. Staff able to rest, plan and prioritise learning support staff well-being, pupil outcomes ibn lessons l learning		1	

COVID CATCH-UP PLAN SUMMER 2021

We have recruited an additional IT support technician	Contribution of £5000	N/A	To facilitate the additional online learning resources being sought to help facilitate the blended catch up model we are running and in anticipation of extra demand on IT support in case on additional lockdowns.		1	
Tuition and metacognition						
Out of hours 1-2-1 or 1-2-small tuition in Maths in House	Hourly rate	Some Overlap	15 min sessions either 121 or ideally small group/ smart pairing run by BF / AM	KS4 & Some KS3	1	Ongoing (was also delivered remotely via teams during lockdown3)
Out of hours 1-2-1 or 1-2-small tuition in Maths/English extermal provider	Approx. £350 per month		In addition to our LSA team we have worked with a local tutor to provide face to face tuition in English		2/3/4	We have found this to be very effective with our students especially now the support is face to face. When year 11 leave we are rolling out the sessions to year 10 and year 9 these will be delivered alongside timetabled lesson time
Meta cognition and learning to Learn	£500		To build the skills that we usually cover in Activities day regarding learning and revision skills and to embed these into a KS4 Tutor Programme EG will lead on this some additional materials will be purchased from Positively Mad (video clips and revision materials) from whom we used to have a provider for Activities days -		1	Key resources planned and delivered to year 11 to support with learning and revision.
Year 11/13 Catch-up timetable	£35 per hour £70 per Master class for two staff members Term 1 year 11 Est cost £1,500 per week £15, 000 by Dec (no on costs Inc.) Term 1 Year 13 Est cost £700 per week £7000 by Dec	Overlap 10%	A blended learning catch-up model that combines before school on site catch-up sessions 8.00 - 8.30 am, After school on site catch-up sessions 3 .15 – 4.15 And teams master classes run in two sessions after school with two staff members if required	KS4	1	The catch up plans run by staff have had a huge impact on both moral and practical catch-up. This was continued throughout lockdown – offered by many staff remotely and continued for year 11 up until May 2021

COVID CATCH-UP PLAN SUMMER 2021

Year 11/13 Revision Catch up Jan – May 2021 May 17 th onwards year 10/12 catch-up	£8000		Revision sessions /catch-up sessions to focus on gaps in learning /revision of past topics. Preparation and revision for TAG assessments From May 20 th onwards the intensive staff catch-up plan that has been so successful for year 11/13 is being rolled out to year 10/12		4	Continued and adapted from the initial catch-up timetable. Aims are now to review past topics and content and support with gaps in learning and knowledge to support students in their preparation for in school assessments and exams.
National Tutor Programme NTP	Fully funded from PP		Initially to be directed at PP students/ vulnerable/SEN. Our plans were paused by lockdown 3.		3	This was put on hold in the Spring term due to the National Lockdown – we used our own staff to provide English/ Maths/ Science intervention remotely to PP/ SEN/ vulnerable students – following the success of our in house catch-up plans we have put this phase on hold until EEF impact is seen – our own internal support is run by qualified staff who know the students gaps in learning
121 Maths and English support	£30 per hour funded from Funded From PP and Catch-up approx. £250 – 350 per month depending on hours in school		Following on from our experience in the Spring term we have found 121 /small group face to face sessions to be beneficial to students especially the most vulnerable/disadvantaged /SEN		3 /4	In phase 4 we will look to expand this support to offer catch-up and tuition to year 9 /10 students
Specialist Gymnastics Coach	£30 per hour to work with Year 10/9		A need to boost gymnastics skills for GCSE/Year 9 students was identified – so that students would be able to catch-up on lost practical skills A gymnastic coach from Bulmershe gymnastics club is being used to work with our students in a small group capacity. PE staff will participate to build their own skills in coaching – this is in part a response to the changes brought about by		4	
Online resources - to facilitate blended learning and promote equality of access to content and teacher wellbeing						
GCSE Pod	£4,000		Online learning platform – A one stop shop for all year 11 courses allowing but students access	KS4 and KS5 resits	1	From 4th January to 19th March students and teachers watched – 8593 pods – with the heaviest usage day on the 28/01/2021.(Lockdown 3)

COVID CATCH-UP PLAN SUMMER 2021

						AVERAGE USAGE FOR YOUR SIZE: As a further comparison, the average number watched for an establishment of your size (401 or greater Year 10+11 students combined) during the last half term was 2819 . Usage as of May was 14158 pods viewed
Everlearner	£4,000		Online learning platform /subscription requested by MFL, PE, Science		1	Awaiting feedback
Share Teach Learn	£100		GCSE, Vocational, A level or CORE PE. Online GCSE/ Primarily aimed at CTEC Sports catch up Share Teach Learn	KS4 & KS5	1	
Exampro	DT - £80 for GCSE and £100 for A-Level MFL - £85 per A Level course		Purchased for Design Technology https://www.exampro.co.uk/design-and-technology/ https://www.exampro.co.uk/languages/			
Books	To be decided		History – all students posted home revision guides wild west – during lockdown 3		2	Ongoing
Learning Packs	To be decided		Many Departments wish to create learning packs of resources pupils	All	2	Ongoing
Library – after hours catch up facility	Already costed		Year 11 students have access to learning resource computers and regular staff facility to undertake homework at school		1	This was supported by the KS4 team and Behaviour Support manager
Cats Testing	Already costed		In order to best target year 7 student attainment without any prior data from Scaled Scores all CTAs data will be inputted into FFT to determine most effective targeting of students' progress by subject		1	
Summer Holiday Catchup	Anticipated £59,000	KS2 – 3	This is currently being planned for wc 9 th august – exam result week – SLT will be on hand
