

'Inspiring and facilitating a lifelong love of PE and sport'

Review of PE Grant and Sports Funding Statement 2018-2019

In the academic year 2018-19 the government will provide additional funding to improve provision of physical education (PE) and sport in primary schools. Schools must spend the additional funding on improving their provision of PE and sport, but they will have the freedom to choose how they do this. For the academic year 2018-2019, Charvil Piggott will receive £17,730.

Brief overview of PE and sport provision in the school:

Charvil Piggott Primary School's vision is to inspire and facilitate a lifelong love of PE and sport. We provide all pupils with two sessions of high quality PE each week. Units of work are blocked for each half term. The lessons in Foundation Stage are aimed at physical development and follow the Early Learning Goals. In KS1 and KS2 the lessons follow the National Curriculum Programmes of Study. Swimming is taught for one term per year in Key Stage 2.

Our school offers many lunch time and after school sports activities. These include a lunchtime netball club for all year groups and a range of extra-curricular clubs such as Futsal, multi-skills, tag rugby, judo and yoga.

We also organise an intra-school multi-skills festival each year, a fun run and school sports day. All pupils are encouraged to participate in these events and they are led by a specialist sports coach and are supported by Year 9 Sports Leaders from The Piggott Secondary School. Opportunities for inter-school competitions last year included triathlon and football tournaments. We will be developing the variety of intra-school and inter-school competitions this year.

Projected spend current academic year

Item / activity /cost	Breakdown of item / activity	Expected impact	Evaluation
£11457	Outdoor active equipment e.g. trim-trail, ropes course	Encourage outdoor active play. Fun and active way for pupils to build physical development. Improved opportunities for pupils to develop physically during playtimes and lunchtimes. Pupils develop core strength. Pupils are involved in managing their own risks through the level of challenge they choose for themselves.	Sports safe have reported that further play equipment on the planned area would not meet regulations. Further investigation required. In addition, any further spend would have taken us significantly over budget.
