Dear Parents/Carers

Your child's HPV immunisation is due to take place in school this Friday, 11 September 2020. You will need to complete an online consent form so that your child can receive this vaccine. This is required as any consent forms you signed prior to lockdown are now out of date.

The attached letter from the School Nursing Team describes how to logon and give consent. We would be grateful if you would do this as soon as possible.

Many thanks.
