4th January 2021

Dear Parents and Carers,

We are keen to ensure that learning is not affected by the school closure today and tomorrow. Our teachers are online on Google Classroom and work is available for all year groups.

Today, our teachers are working to get everything required online to support the ongoing education of your child. Over the course of today and tomorrow, you will begin to see videos being uploaded which explain the things your child needs to know and understand in order to complete the set learning. The teachers will be online and the private message function allows pupils to send questions directly to their teacher. If you have any questions for the teacher, please do email them. Their email addresses can be found on our website or in the Year Overview which was sent to you in September. If teachers are unwell then we will provide work on the Google Classroom but other support may well be reduced.

Please do get in touch if you need any support. We are able to lend some Chrome Books should you have insufficient devices at home but as we only have a limited number, please do consider whether this is absolutely necessary.

As soon as we are able to, we will send out further information about when the school can safely reopen and we thank you for your ongoing support.

Yours sincerely,

Mr K Hillerton

Deputy Headteacher

Head Teacher Mr D J Gray MA, NPQH
