5th January 2021

Dear Parents and Carers,

Further to our previous communications regarding home learning, we write to outline the plans we have in place for this term. Schools have been informed that this lockdown will last until at least February half-term.

We previously informed you that teachers will provide work on the Google Classrooms and these will be supported by short videos which will help your child to understand what they need to in order to complete the work. By recording these videos, children can pause and re-watch parts of the teacher input to help them later with their work.

In addition to this, we now also plan to hold a live session each school day in which the whole class can join their teacher and classmates to ask questions, share stories or discuss the things they have been doing at home. Teachers will post Teams links on the Google Classrooms. Just click the link in order to join the meeting. You do not need to have Teams installed, just click 'continue on this browser'. These sessions will begin tomorrow, except in the case of Year 4 which will begin on Thursday, and will take place at the following time each day:

Year 6 – 9am

Year 5 – 9:30am

Year 4 - 10am (please note this begins on Thursday 7 January)

Year 3 – 10:30am

Year 2 – 11am

Year 1 – 11:30am

Foundation – 12 noon (please feel free to have their lunch with them)

If you have any questions regarding home learning, please use the private message function on Google Classroom. This is available by clicking an assignment and a box appears on the right for you to submit. Below this is the private message box.

Thank you for your ongoing support.

Mr Hillerton and Ms May

Head Teacher Mr D J Gray MA, NPQH
