

'Inspiring and facilitating a lifelong love of PE and sport'

Review of PE Grant and Sports Funding Statement 2019-20

In the academic year 2019-2020 the government will provide additional funding to improve provision of physical education (PE) and sport in primary schools. Schools must spend the additional funding on improving their provision of PE and sport, but they will have the freedom to choose how they do this. For the academic year 2019-2020, Charvil Piggott will receive £17630.

Brief overview of PE and sport provision in the school:

The Piggott School: Charvil Primary's vision is to inspire and facilitate a lifelong love of PE and sport. We provide all pupils with two sessions of high quality PE each week. Units of work are blocked for each half term. The lessons in Foundation Stage are aimed at physical development and follow the Early Learning Goals. In KS1 and KS2 the lessons follow the National Curriculum Programmes of Study. Swimming is taught for one term per year in Key Stage 2.

Our school offers many lunch time and after school sports activities. These include a lunchtime netball club for all year groups and a range of extra-curricular clubs such as Futsal, multi-skills, tag rugby, judo and yoga.

We also organise an intra-school multi-skills festival each year, a fun run and school sports day. All pupils are encouraged to participate in these events and they are led by a specialist sports coach and are supported by Year 9 Sports Leaders from The Piggott Secondary School. Opportunities for inter-school competitions last year included triathlon and football tournaments. We will be developing the variety of intra-school and inter-school competitions this year.

Projected spend current academic year

| Projected item / activity /cost | Breakdown of item / activity | Expected impact | Evaluation |
|---------------------------------|--|--|------------|
| £150 | PE planning | To give teachers the support necessary for planning effective PE lessons, including demo videos etc. | |
