### Review of PE Grant and Sports Funding Statement 2019-20

In the academic year 2019-2020 the government will provide additional funding to improve provision of physical education (PE) and sport in primary schools. Schools must spend the additional funding on improving their provision of PE and sport, but they will have the freedom to choose how they do this. For the academic year 2019-2020, Charvil Piggott will receive £17.800.

#### Brief overview of PE and sport provision in the school:

Charvil Piggott Primary School's vision is to inspire and facilitate a lifelong love of PE and sport. We provide all pupils with two sessions of high quality PE each week. Units of work are blocked for each half term. The lessons in Foundation Stage are aimed at physical development and follow the Early Learning Goals. In KS1 and KS2 the lessons follow the National Curriculum Programmes of Study. Swimming is taught for one term per year in Key Stage 2 for Years 3, 4 and 5.

Our school offers many lunch time and after school sports activities. These include a lunchtime netball club for all year groups and a range of extra-curricular clubs such as football, cricket, athletics, judo and yoga.

We also organise an intra-school multi-skills festival each year, a fun run and school sports day. All pupils are encouraged to participate in these events and they are led by a specialist sports coach and are supported by Year 9 Sports Leaders from The Piggott Secondary School. Opportunities for inter-school competitions last year included triathlon and football tournaments. We will be developing the variety of intra-school and inter-school competitions this year.

#### Projected spend current academic year

Item / activity /cost	Breakdown of item / activity	Expected impact	Evaluation
£9100	School minibus	To improve access between the school sites for participation in PE and sport activities using the secondary school sports facilities, resources and staff.	The school minibus was well used for tournaments and accessing matches until the lockdown in March. £9100
£3000	PE resources and equipment --sport specific equipment as required	Greater opportunities for pupils to be active and engaged in PE lessons as equipment will be provided for every child.	A huge amount of equipment was added to school resources, particular focus was placed in areas which had previously been poorly resourced e.g. athletics and gymnastics. This included the payment to PEplanning.co.uk for

**Carried forward unspent PE and sport premium grant funding from the 2019 to 2020 academic year**

As a result of the coronavirus (COVID-19) outbreak, the Department for Education took steps to relax the ring-fencing arrangements for the PE and sport premium in the 2019 to 2020 academic year to allow any unspent grant to be carried forward into the 2020 to 2021 academic year.

Any under-spends carried forward will need to be spent in full by 31 March 2021 and schools should factor this into spending plans for their 2020 to 2021 PE and sport premium allocation. The [2020 to 2021 conditions of grant documents](#) reflect this.

The Piggott School: Charvil Primary carry-forward for 2019-20 due to Coronavirus to be spent by March 2021 = £3304.
