

Dear Year 12

Welcome to The Piggott School 6th form and congratulations on achieving very positive GCSE grades.

Your schedule for the coming week

- Your new academic year will begin on **Tuesday 7th September 2021** with a lateral flow COVID test in the Sports Hall. Closer to the time you will be sent a schedule based on your surname so as to make the testing process as smooth as possible. You will not have lessons on this day and once you have had your test you will return home. **Tutor group lists and rooms will be on display in the Sports Hall**, please look out for these and make a note of the name of your tutor and the room that you will go to for morning registration every day, once you return to school for onsite learning – this is important.
- **Wednesday 8th September**, online lessons will begin and over the next few days you can expect to receive emailed invites from your subject teachers. Your lessons will take place over MS Teams. Wednesday will begin with a live, online assembly, this will begin at 8.35 promptly and it is really important that you attend as I will be give important information that will help you as you adjust to sixth form life over the next week. You will not be registering with your tutors on Wednesday, your subject teachers will register you at the start of each lesson.

If you find that you have no lessons scheduled for Wednesday you must make sure that you attend assembly.

There will be no PE on Wednesday afternoon and you will not receive an online invitation for this lesson, we will give you further information about your PE lessons when you return to school for face to face learning on site.

- **Thursday 9th September**, you will begin the day at 8.35 by registering with your tutors online, again over MS Teams. Your tutor will send you an invitation for this session over the next few days so please look out for this invitation and make sure that you are punctual. Morning registration on Thursday will be followed by online lessons.
- **Friday 10th September**, you will have your second lateral flow test, again this will take place in our Sports Hall, you will not have any lessons scheduled. Once you have had your test you will return home.
- On **Monday 13th September** we will welcome you into school for your first day of face to face learning on site. As requested in Mr Gray`s email, we ask that you arrive at 8.35 and if you know where to find your tutor room we ask that you go to your tutor room. If you are new to The Piggott 6th Form, come to the common room, this will be sign posted and your tutor group prefect will be waiting to show you to your tutor room.

Piggott student email accounts

- If you studied with us in Year 11, your email address remains the same.
- External students new to The Piggott 6th Form: Please check the email you applied with for the username and password instructions

Timetables

Your timetable, if all subjects were agreed, will be available on your email calendar.

Please email Mrs Fish (TF@piggottschool.org) if this does not work – attempt logging in a few times before requesting help.

Online lessons will begin on Wednesday 8th September, so please make sure you check your email/timetable and MS Teams.

Once again, congratulations on your exam results.

See you soon,

Mr Dusterhoft & Ms Burch (formerly McNaughton)
