

Dear Year 6 students,

A very warm welcome to The Piggott School! We are really looking forward to meeting you on your Induction Day and are so excited to get to know you all. I am going to be your Head of Year in September so will be working hard to ensure you all have an amazing start with us. Wednesday is your first opportunity to meet some key staff ahead of your next year so please do use it to ask all of the questions you may have! It is also your first chance to meet your peers and classmates that you are going to be sharing the next five years with – possibly an opportunity to start building some new friendships?! You are going to be doing some taster lessons with some of your new teachers and finishing with PE in the afternoon. **Can you please attend the Induction Day next Wednesday in your primary school PE kit?**

The step into Year 7 is one of the biggest you will take, but also one that you should be tremendously excited about. I still remember my first day of Year 7 like it was yesterday! We have a whole host of opportunities ready and waiting for you at The Piggott. This might be the freedom to walk to school with your friends. Study subjects that you might not do at primary school. Go on exciting school trips with your friends. The possibilities are endless and I am really looking forward to sharing some of these experiences with you.

We are extremely proud here to belong to The Piggott community. You are lucky to be joining an amazing school and you will hear me talk a lot about this over the next year. We abide by our six school values every day. These are our golden rules. Our non-negotiables. They are courage, respect, honesty, dedication, equality and love. At The Piggott we have the highest expectations of you and expect you to demonstrate these six values on a daily basis.

The task I am setting you on your Induction Day is to write a letter back to me. This is your opportunity to show off your outstanding writing skills and show me what you are capable of. I really want to get to know you better before September, so your letter should tell me a little bit about you and your hobbies. I would like to know what you are most excited about and anything that you are nervous about. Finally, I would like you to tell me which of our six school values is the most important to you and how you will demonstrate this value in September.

I am really looking forward to reading all of your replies!

Kind regards,

Mr D Malyon

Head of Year 7
