The Piggott School: Charvil Primary

No. 167

Dear Parents and Carers,

Firstly, I would like to say how proud I am of the Key Stage 2 pupils for their wonderful and thought-provoking Harvest Assembly this morning. Everyone was fantastic from those with speaking parts to the beautiful singing. The concept of conservation and looking after our world is certainly one which is important to us at school and our Eco-Council are involved in two brilliant initiatives: to reduce single-use plastics and to support the local Air Quality Project. All of the food donated today will be collected by ReadFood and used to provide support to those locally who need it most.

Since the last Chatterings, our girls' team have also been to a football tournament at Cantley Park and performed really well. They sadly lost out 1-0 in the quarter-finals to the team who went on to win the tournament. A fantastic performance and the first of many great outings for our wonderful girls.

It was lovely to see some new faces at the CPSA Open Meeting last week, alongside those familiar faces who keep coming back. The CPSA do a brilliant job in fundraising for the school and supporting projects for us every year and we are extremely grateful for all that they do. It was clear in this meeting that there are more of you out there who are keen to help. It is really important that our school is at the heart of the community and there are some exciting events planned to ensure that the community feel continues in Charvil. If you haven't already, do consider getting in touch with the committee and offering your support. Equally, if you have a skill or passion which you feel can support the school directly, please do get in touch.

I wish you all a wonderful half-term break and look forward to seeing you all back on Monday 31st October.

Mr Hillerton

The Bulletin Board

PE Days are as follows:

Monday:	Years 3, and 6
Tuesday:	Year 5
Wednesday:	Years 1, 3, 4 and 6
Thursday:	Years 1 and 2
Friday:	Years 2, 4 and 5

Please ensure your child comes to school in their PE kit.

Library Days are as follows:

Monday:	Foundation, Year 3 and 4
Tuesday:	Years 2 and 5
Wednesday:	
Thursday:	Year 1
Friday:	Year 6

Please ensure your child brings their library book into school. Thank you.

Break Time Snacks:

Please ensure your child **only** brings **fruit or vegetable** based snacks to eat a break time.

Playground Play Equipment

Please can you ensure your children do not play on the play equipment located in the playground at pick up and drop off.

Play equipment is only to be use during the school day.

Many thanks for your support.

KS2 Harvest Assembly

Thank to everyone who attended our KS2 Harvest Assembly this morning.
Well done to all the KS2 children and staff who made it so special.

ReadiFood

Reading's Food Bank

A huge thank you to everyone who made a Harvest donation this year, it is very much appreciated.

Year 6 - History

As war in Europe loomed in 1938, the Anderson shelter was designed to offer UK householders rudimentary protection during air raids.

By the outbreak of World War II in September 1939, Anderson shelters had been installed in the gardens of around 1.5 million houses in the areas most expected to be targeted by the Luftwaffe. A further 2.1 million were installed over the course of the war.

Our Year 6 class have had great fun designing and making their own Anderson Shelters, with brilliant results!

Year 5 & 6 Girl's Football Tournament — Match Report

We arrived at school at 8:20 in the morning and left to go to Cantley Park on the minibus, everyone was excited. When we got there, everyone had to get their game faces on for our first match, we were all nervous.

We played against Hillside who we drew against (0-0). It was a good game but the play was mostly for our side.

Next, we played against Emmbrook. Vienna got the first goal from long range then they got the next three goals. The match ended 3-1.

After that, we played against Grazeley. Aleka and Layla both helped the ball into the goal, then Vienna scored the last goal the score being 2-0 to us, yay!

Then, we played against Willowbank score being 0-0.

We next played against Windmill, we were getting more confident by the minute. We won 3-1. Vienna scored two and Evie scored one, then they got a good ball down the pitch and scored.

We played against Hillside again winning 1-0 to us, Evie scoring the winner!

Our next match was against Emmbrook, Vienna scored one goal, and the final score finished 2-1.

After lunch we played against Grazeley and Vienna scored a long shot goal from an angle getting us the win (1-0).

Following that, we played Willowbank and had a solid 2-0 win. Vienna scored a low long shot and Evie scored a great goal top bins!

Later, we played against Windmill with Aeyva nearly scoring, but Vienna got two goals and Eleanor got one as well as Evie.

It was a tense moment waiting to see if we got through, but luckily we did!

Our group record was 5 wins, 3 draws and 2 losses. We had finished second in our group and we were through to the quarter finals.

In the quarter finals we lost 1 - 0 to Colleton. It was a tight game and we felt unlucky not to have at least taken the game to penalties.

Thank you Mr Hamilton and Mrs Gurm for supporting the girls with this fixture.

Year 1 - Vlogs

Please click on the links below to see Year 1's wonderful vlogs about their favourite toys.

Year 6 Bikeability

Well done to our Year 6 Class who successfully completed their Bikeability course last week. It was also really lovely to hear the great feedback from parents that had seen them out cycling with the instructors around Charvil.

Year 4, 5 & 6 Girls Cross Country Trials

Congratulations to all the pupils who took part in the girls cross country trials and training last week. Mr Bhadye was really impressed with everyone's efforts and is looking forward to taking a team to Abingdon on Thursday 10th November to compete. Good luck and have fun girls!

CPSA Update

Dear Parents and Carers,

Firstly thank you to the parents who have come forward to join the CPSA either as Chair, Treasurer, Committee Members or to coordinate the Second Hand Uniform Sales. If you are still interested in joining us or becoming a regular helper then please let us know.

We had a very productive Open Meeting and it was lovely to meet new parents and hear their thoughts on events we could run in the future.

Speaking of events...

School Disco Friday 2nd December

We were overwhelmed by the amount of parents who came forward to help at the Disco and we are pleased to say that tickets are now on sale and can be bought via PTA Events.

The sale will close on 21st November so please make sure you buy your tickets before they sell out!

www.pta-events.co.uk/charvilpiggott

Christmas Trees Friday 9th December

We are pleased to offer parents and the wider community an opportunity to once again buy good quality Christmas Trees from our regular supplier. From 3 foot to 8 foot starting at £29 not only will you be getting a beautiful tree but you will also be supporting the CPSA.

To buy your Christmas Tree please go to PTA Events and place your order by **Saturday 26th November** and do share the link with friends and family.

www.pta-events.co.uk/charvilpiggott

Christmas Celebrations – Friday 9th December

On Friday 9th December between 4:00 – 6:00pm all families are invited to join us at the school hall to enjoy a glass of mulled wine (or soft drink!) and a mince pie while enjoying some Christmas entertainment.

Christmas Trees will also be able to be collected at the same time! We hope you can all join us for this.

Christmas Cards - Final Designs back to school by Thursday 3rd November

Once again, we will be giving the children an opportunity to design their own Christmas Cards and then have them printed to send to family and friends. Additional forms available from the school office.

Coming Soon.....

Christmas Jumper Swap. Like last year we are asking you to bring any Christmas jumper (or t shirt!) that no longer fits and could be passed onto someone else in preparation for Christmas Jumper Day. More details after half term !

Thank you for your support!

CPSA Committee

We would like to wish a very Happy Birthday to all our pupils celebrating their birthday in October!

WOKINGHAM
BOROUGH COUNCIL

Why Walk, Cycle or Scoot to School?

It's a great way to exercise and benefits the environment, learning and mental health.

It helps children get fit in the recommended daily hour of exercise to stay healthy.

It helps to build strong muscles and bones and is good for the heart and helps protect children from health problems as they grow up.

It helps children to concentrate better and they are more ready to learn as they arrive at school more relaxed.

It can help clear the mind, lower blood pressure and boost mood.

If they do this with their friends it allows children to spend time building relationships.

It can reduce congestion and pollution, and help tackle climate change.

It helps children learn essential road safety skills that will help them as they grow older.

10 Reasons to Walk, Cycle or Scoot

1. It's a fun way to travel
2. It gives me more time to be with my friends
3. It gives me more independence
4. It helps me wake up and be more alert for lessons
5. It helps me unwind at the end of a busy day
6. It makes a cleaner, less noisy environment
7. It makes me healthier and fitter
8. It makes the local area safer if there are less cars
9. It saves money on fuel costs
10. It lets me find out more about my local area

Park & Stride - Get to School on Time

If you live too far away to walk, cycle or scoot to school, then one way of cutting down on traffic outside the school, and getting the benefits of exercise, is to park and stride. This is where you

park a short walk from the school and walk the rest of the way. Your school might even have a formal park and stride or walking bus location that you can drive to.

Dates for the Diary

12th September - 21st November - Autumn Competition

18th September - International Day for the Preservation of the Ozone Layer

19th September - Youth Mental Health Day

22nd September - World Car Free Day

October - International Walk to School Month

1st November - 16th December - Be Bright Be Seen Quiz

10 Cool Facts About Walking, Cycling and Scooting

1. The average distance to school in the UK is around 1 mile.
2. A walking, scooting or cycling trip of a mile each way means you could save up to 554kg of CO₂ per year.
3. When there's a lot of traffic about, walking, cycling or scooting could actually be quicker than going in the car.
4. 1 in 4 cars on the road in the mornings are doing the school run.
5. A 30-minute walk or cycle to school, and the same journey home after school, is enough exercise to give you that hour of exercise that you need each day.
6. Walking sideways burns more calories than walking forwards. This is because it is more difficult to make your body work in unfamiliar ways.
7. You can fit 15 bicycles in the same space as one car.
8. Cycling is 3 times faster than walking.
9. Scooting is just over twice as fast as walking. A 20-minute walk would take only 7 minutes on a scooter. It's super speedy!
10. Scooting can help improve your balance and co-ordination.
