

13 October 2017

Dear Parent/ Carer,

SAFE CYCLING

I am writing to ask for your support.

As you are aware, if pupils choose to travel to school by bicycle, we require them to ensure that their bicycle is roadworthy and that they wear a cycle helmet at all times. We are increasingly concerned by the number of pupils who are failing to meet this requirement. We have had an incident this term where, without doubt, the helmet that one of our pupils was wearing certainly saved his life. Please can I ask you to reiterate this expectation to your son or daughter. Members of staff will be addressing the concern with any pupil who is not wearing a helmet and sanctions will be issued.

Thank you for your ongoing support in ensuring the safety of our pupils.

Yours sincerely

Mrs R Alexander

Deputy Headteacher
