Dear Parents and Carers,

Re : Temporary relocation of Year 4 to the school hall

Due to the discovery of a leak within the sprinkler system in our current Year 4 classroom, the class will be temporarily relocated to the main school hall. We have contacted the relevant specialist services and taken instruction in terms of next steps to manage the damage. Whilst we rectify the damage caused by the water and ensure all health and safety checks are in place, the classroom is out of action.

We appreciate that a change in routine can be challenging for some of our pupils and we will ensure that we support them as best we can with the new learning environment. Drop off and pick up for all Year 4 students will be via the fire exit doors in the main hall from tomorrow morning. Please exercise vigilance and awareness in terms of safety due to the proximity of the staff car park.

Thank you for your patience and understanding. We will ensure that we provide timely updates in terms of progress, returning the children to their classroom as soon as possible.

Yours faithfully

Mr K Hillerton

Headteacher

Executive Head Teacher Mr D J Gray MA, NPQH
