Charvil Chatterings

The Piggott School: Charvil Primary

No. 183

Dear Parents and Carers,

Welcome to our first addition of Chatterings for this year. It has been a fantastic start to the new school year and I want to personally thank you for your warm welcome to the school, I already value being part of this community. I am particularly proud of the children at Charvil, they have impressed me with the way they are excited to learn.

At the beginning of term, all classes read the parable of the 'Good Samaritan' and reflected on what it means to 'Go and do Likewise'. Each class presented some of their reflections in an assembly. It was great to see the children leading assembly so early in the year and living out the vision every day in school.

This week our children from Year 1 – Year 6 had the amazing opportunity to visit the Henley Literary festival, organised by Mrs Cherrett. I do hope you have had the chance to read the book the children were given. This has been a great way to kick start our drive to ensure all children develop a love of reading!

Mental Health and Wellbeing is very important to us so next Tuesday we are participating in 'World Mental Health day'. In school, the children will be taking part in activities which help them to consider what makes a good friend and how we can be prepared with a mental 'backpack' of ideas to help others when they need us most.

Sports fixtures are already underway and children have been given the opportunity to represent the school and showcase their skills in cross country, football, tag rugby, kurling and a multi-sports festival.

Finally, I believe in an open-door approach between parents and school. If you need to contact a member of staff, the best way is to catch them in person before or after school but if you are unable to do this, please email the school office using charvil@piggottschool.org and they will direct your email to the teacher.

Many thanks

Mrs C Waite

Please ensure your child brings their library book into school. Thank you.

School Meals

Please remember to order lunches in advance. Late or missing orders can cause upset to the children and place a considerable strain on the system as the lunch service is a particularly busy time of day.

Please ensure your child either has a home packed lunch, or that a lunch order is placed by 8am via www.aspens-services.co.uk/meals. **If you miss the 8am deadline, please inform the school as soon as possible if your child needs a school lunch that day.**

For convenience, lunches may be ordered up to a term in advance.

If your child is absent for any reason, please cancel their lunch order before 8am where possible, otherwise the school will be charged.

Thank you!

Personal Clothes and Belongings

Please ensure ALL your children's clothes and belongings that may come into school are named (uniform, shoes, gloves, coats, water bottles, hairbands...) and please name lunch bags on the OUTSIDE.

We collect an unnecessarily large amount of lost property but if items are clearly named then they will make their way back to you.

If you are missing anything do come in and check the lost property box in the school office.

Foundation - Welly Wednesday

Foundation Class really enjoyed their first Welly Wednesday session last week. We thought about being in the outside space and how it looks, sounds and feels different to inside the classroom.

Then we got creative and turned an ordinary stick into a piece of art. It was tricky to wind the wool, and we had to chase the little bits all over the garden when the wind blew.

Then we all came back to the Welly Wednesday circle to enjoy hot chocolate.

We love Welly Wednesday!

Henley Literary Festival

This week, children in Years 1-6 were extremely lucky to attend the Henley Literary Festival this week. They met with a variety of authors who brought their novels to life for the children and spoke to them about how they became authors and the background behind their wonderful stories. The children were thrilled to receive a signed copy of the author's book and all really enjoyed their visits, thank you Mrs Cherrett for arranging the event for the children.

Year 1 & Year 3 enjoyed We are all Astronauts by Kate Pankhurst.

Year 2 enjoyed Who ate all the bugs?
By Matty Long.

Year 4 enjoyed Oneyka and the Academy of the sun by Tola Okogwu.

Year 5 & Year 6 enjoyed The Lizzie and Belle Mysteries - Drama and Danger by JT Williams.

Foundation - National Poetry Day

Yesterday it was National Poetry Day and Foundation Class joined the Settle Storytellers for an online session of nursery rhymes and a poem about a crocodile.

Then we looked at a poem: a crocodile is very snappy, snappy, and he couldn't be anything else, and we made up some new verses with different animals. We recited our new poem altogether and added in some actions for the animals.

Year 5 Heroes

As you may have seen in the local news, a group of boys from our Year 5 class took part in a charity head shave to support their class mate Harry who has recently been diagnosed with cancer. We are all incredibly proud of how they demonstrated love and support to their friend.
