Introduction

It is the responsibility of the head of centre to ensure that The Piggott School has a written conflicts of interest policy in place available for inspection. This policy confirms that The Piggott School:

- Manages conflicts of interest by informing the awarding bodies, before the published deadline for entries for each examination series, of:
 - any members of centre staff who are taking qualifications at their own centre which include internally assessed components/units
 - any members of centre staff who are teaching and preparing members of their family (which includes step-family, foster family and similar close relationships) or close friends and their immediate family (e.g. son/daughter) for qualifications which include internally assessed components/units **and**

maintains clear records of **all instances** where:

- exams office staff have members of their family (which includes step-family, foster family and similar close relationships) or close friends and their immediate family (e.g. son/daughter) being entered for examinations and assessments either at the centre itself or other centres
- centre staff are taking qualifications at their own centre which do not include internally assessed components/units
- centre staff are taking qualifications at other centres (GR 5.3)

Purpose of the policy

The purpose of this policy is to confirm how The Piggott School manages conflicts of interest under normal delivery arrangements in accordance with the regulations.

General principles

A process is in place to collect any areas of potential conflict from all centre staff to identify and manage all potential areas of conflict. Regardless of position all centre staff are required to respond.

Declaration process

A Google form or Microsoft form declaration of interest form is sent to all centre staff during the Autumn term. Completed forms must be returned to the Exams Officer by the published date within the email.

Managing conflicts of interest

A conflicts of interest log is maintained and any potential conflict declared by centre staff is centrally recorded

on the log. The relevant awarding body/bodies is/are informed (where required by the nature of the conflict) of specific conflicts of interest/centre staff declarations before the published deadline for entries for each examination series by identifying and following the individual awarding body's administrative process. The agreed measures/protocols taken/put in place to mitigate any potential risk to the integrity of the qualifications affected are recorded on the log and the affected member of staff informed of these measures/protocols.
