Judo School provides a safe and fun environment where children can practice judo in the familiar setting of their school. There are many benefits to Judo with the moral code made up of 8 values:

|          |              |
|----------|--------------|
| Courtesy | Modesty      |
| Courage  | Respect      |
| Honesty  | Self-control |
| Honour   | Friendship   |

Judo kits are required. PE kit is suitable for the first two weeks, after which a Judo kit must be obtained. I have limited stock of pre-loved kits available for £15.00. If you wish to order a new kit, I can provide this:

£30 – Sizes 110-140

£35 – sizes 150+
